Could your church join children on faith adventures?

Friends On Faith Adventures (FOFA) is an exciting new programme offering child-centric, biblical discipleship for children aged five to 11+.

Looking to set up a group for children aged five to 11+? Register now to start in 2021. If you're not able to start a group, why not support a church that is, by becoming a prayer partner for a new FOFA group?

FOFA's flexible

FOFA can be a new, stand-alone group, or can complement existing work (like Messy Church, holiday clubs and all-age services). FOFA can be weekly, fortnightly or monthly. Do what suits your context best.

FOFA offers support

- A dedicated person helps you get started.
- A crate of resources is provided, including a story bag, a polaroid camera, a 'how to' guide, the first six session plans and a cuddly FOFA bear! Just add craft materials, props and extra camera film.
- Ongoing support is offered, with 12 new sessions each term, regular newsletters and online resources.

Whole church engagement

FOFA groups are encouraged to invite parents and carers to join the start and end of each session, and to host a 'parent creche' while children enjoy games, story and craft. Churches are also encouraged to display the Adventure Map permanently, so that church members can appreciate the FOFA group's progress. The aim is to offer whole-family church engagement.
