

## Story of Moses told with road signs

 <p>God's people had been slaves in Egypt for many years</p>	 <p>God's sent ten plagues to Egypt to make Pharaoh change his mind.</p>	 <p>Locusts ate all the crops.</p>	 <p>..and stop the slaves from leaving.</p>
 <p>They had been working hard building Pharaoh's pyramids</p>	 <p>It was going to be a bumpy road ahead. Rivers of blood.</p>	 <p>It was dark as night for three days.</p>	 <p>But then God took the first born of every family and they died.</p>
 <p>But God was with them and had heard their cries for help.</p>	 <p>Frogs everywhere.</p>	 <p>Each time Moses would ask Pharaoh, "Let my people go!"</p>	 <p>Pharaoh had had enough and told Moses and the people of God to go.</p>
 <p>God's had a plan to set the people free. He sent Moses to see Pharaoh.</p>	 <p>Flies and lice all around .</p>	 <p>A few times Pharaoh agreed....</p>	 <p>God's people took their things and ran. They were free!</p>
 <p>Moses said to Pharaoh, "Let my people go!"</p>	 <p>All the cattle died. People got boils.</p>	 <p>..only to change his mind the next day...</p>	 <p>The end.... Or is it just the beginning?</p>
 <p>But Pharaoh refused</p>	 <p>Storms of hail rained down.</p>
