

# Theological Reflection Discussion Booklets

A series of booklets available free of charge in hard copy from the URC online shop or as PDF download by clicking on the links below.

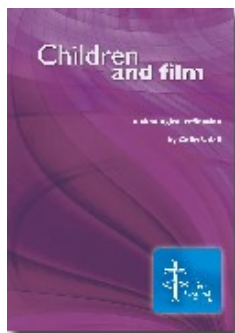

## Valuing Children

A discussion booklet for use by churches exploring their work with children and young people.

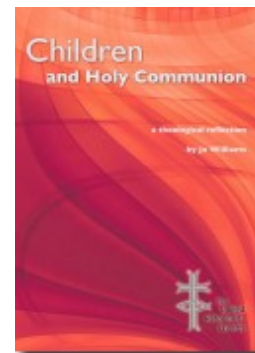

## Evangelism amongst Children

A discussion booklet to encourage churches to reflect on their evangelism among children and young people.

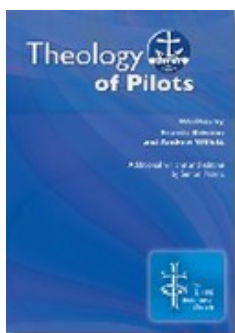

## Children and Film

A discussion booklet exploring the value of using films and film clips when exploring issues of faith with children and young people.

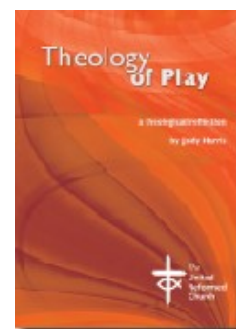

## Children and Holy Communion

A discussion booklet exploring the issue of children's participation in Holy Communion within the United Reformed Church.

## Theology of Pilots

A discussion booklet to allow greater engagement in theological reflection about our ministry with children through the Pilots organisation.

## Theology of Play

A discussion booklet to encourage churches to reflect on the concept of play and its significance throughout our entire lifespan, both physically and spiritually.
