

Is this a children and youth friendly church?

Whether you are currently blessed with children and young people or not, the Children and Youth Friendly Church Scheme is an exciting opportunity to look afresh at your church's life with children, young people and families.

We would love to accompany you in exploring:

- your strengths
- your values
- your opportunities
- your hopes and dreams

We will enable you to identify all that you currently do and how to develop your welcome to children, young people and families.

The Children and Youth Friendly Church is a programme of the United Reformed Church which recognises and encourages excellence in churches welcoming children, young people and families. Churches are supported by an accompanier and receive a certificate and plaque upon successful completion.

For more information please contact your Synod Children's and Youth Development Officer (CYDO) or lead worker, or the Assembly Children's and Youth Work Office.
