The Revd James Stapleton, the Rt Revd Prof Alan Main and the Revd James L Powell responded to the welcome on behalf of the guests.

The Moderator introduced the people on the platform and welcomed everyone to the meeting of the Assembly. She then especially welcomed those who were attending Assembly for the first time, encouraging them to play a full part in the business of the Assembly.

The Convener of the Assembly Arrangements Committee, the Revd Alasdair Pratt, then introduced the Order of Business, noting that it was the intention to start each item of business not later than the time shown in the Order Paper. He noted that Resolutions 47 and 48, which would be debated during the afternoon session, were detailed on the Order Paper, together with Resolutions 50 and 51, the first of which would be taken at 7.00pm on Saturday evening.

Church and Society Committee

The Moderator asked Prof. Malcolm Johnson to present the report of the Church and Society Committee. In doing so Prof. Johnson spoke of Commitment for Life, noted the impact of the Jubilee 2000 campaign and the work done by the committee on the environment, welfare reform, freedom of information and multi-ethnic relationships. He thanked Val Morrison for her commitment to the committee and welcomed Gabrielle Cox to her new role of Convener.

The Moderator invited comments on the report. There being no questions or comments, she asked Prof. Johnson to introduce Resolution 26. In doing so, he noted that the third clause of the resolution had been added by Mission Council to ensure that the Church itself was not guilty of ageism. He then moved Resolution 26, having made two corrections to the wording with the consent of the Assembly.

RESOLUTION 26 Joint working group on ageing and work with elderly people

- a) Assembly welcomes and endorses the development by this joint working group of a strategy, outlined in the Book of Reports, which will:**
 - i) enable the Church to regard older people more appreciatively;**
 - ii) enable older people themselves, whether members of the church or not, to regard themselves more positively;**
 - iii) affirm the contributions made by older people.**

- b) Assembly therefore instructs the Church and Society and the Discipleship, Stewardship and Witness Committees:**
 - i) to enable increased access to information on the circumstances and concerns of older people and, through ecumenical action and partnership with appropriate bodies, to encourage study, debate and action on the issues of old age and of an ageing society, with particular reference to the International Year of Older Persons designated for 1999;**
 - ii) to seek ways in which positive perceptions of old age and older people may be reflected in the life and worship of the church.**

- c) Assembly authorises the Equal Opportunities Committee to add appropriate references to discrimination on grounds of age (youth or old age) to its policy statements.**

The Moderator then explained that an amendment to the resolution, which had been proposed by Sheila Fairburn, had been ruled out of order as an amendment and also as a separate resolution as the subject matter was already included in a resolution to be presented by the Equal Opportunities Committee.

The Moderator invited comments from the members of Assembly. Following several contributions from the floor, she invited the Conveners to respond. The Revd Elizabeth Caswell, the Convener of the Discipleship, Stewardship and Witness Committee, and Prof. Johnson welcomed and responded to the comments made, noting in reply to a question that clause c) of Resolution 26 did not invalidate the decision of the Assembly in 1997 concerning the age of retirement from the ministry.

Resolution 26 was carried. The Moderator thanked the members of both Committees for their work.

Church Changes

The General Secretary was granted permission to make a minor correction to Resolutions 47 and 48. He then moved the Resolution:

The Chaplain led the Assembly in prayer.

The Moderator asked the Convener of the Assembly Arrangements Committee to suggest ways in which the spare time should be filled. He suggested that the General Secretary be asked to introduce some of the Mission Council Resolutions.

Mission Council

The General Secretary moved Resolution 10, noting a minor correction to the wording which was agreed by the Assembly.

RESOLUTION 10

Presidency at the Sacraments in an Emergency

Assembly agrees to ratify its decision of July 1997 to add the following words as a footnote to paragraph 24 of the Basis of Union:

‘The provisions of paragraph 24 are intended to establish the principle that worship should be led by representative persons recognised by the wider church as well as by the local church. The provisions do not prevent the congregation assembled for a baptismal or communion service from themselves appointing, as a church meeting, a suitable person to preside at the celebration of the sacrament in a case of emergency, for example if the expected president is taken ill or held up in travel. The provisions do not require such an action rather than a postponement of the baptismal or communion service if that seems preferable.’

Resolution 10 was carried.

The General Secretary then moved Resolution 13.

RESOLUTION 13

Election of Assembly Officer

General Assembly, acting under paragraph 2(5) of the Structure of the United Reformed Church, elects the Treasurer, for the time being, of the United Reformed Church to be an officer of the Assembly.

Resolution 13 was carried.

The General Secretary asked the permission of the Assembly to propose an amended Resolution 14. This was agreed. The General Secretary then introduced the reworded Resolution.

RESOLUTION 14

Disciplinary Procedures

General Assembly agrees to amend paragraph 3.5 of Part 1 (Substantive Provisions) of the Process for dealing with cases of Ministerial Discipline (Section O Process) as follows:

Delete “twenty-five (25)” and replace with “a maximum of fifty (50)”

Resolution 14 was carried with the necessary two-thirds majority.

The General Secretary proposed that in accordance with para. 3(1) of the Basis and Structure Resolution 14 be referred to Provincial Synods with 15th March 1999 as the final date for responses as to whether or not this constitutional amendment be proceeded with.

This was agreed.

The General Secretary moved Resolution 17.

RESOLUTION 17

Visit to the Northern Province

Assembly agrees that in 2001 a visit to the Northern Province will be made on its behalf by a team of 3 people.

Resolution 17 was carried.

At the opening of the evening session Assembly joined in singing a hymn.

The Moderator called upon Mr John Ellis who introduced and moved Resolution 50.

Resolution 50 Suspension of Standing Order 3e(iv)

The General Assembly agrees to suspend Standing Order 3e(iv) at an appropriate stage of its 1998 meeting in order to reconsider issues arising from Resolution 19 of its 1997 meeting.

Dr Graham Campling seconded the resolution and the Moderator invited comments from the floor.

Several different points of view were expressed, following which the Revd Phillip Jones proposed and the Revd Geoff Tolley seconded **that the Resolution be not put**. Mr Ellis, at the invitation of the Moderator, commented on the reasons given by Mr Jones.

The Revd David Bedford asked for clarification on whether the Officers of Assembly had suggested that a resolution in the form of Resolution 50 be put to Assembly. The General Secretary advised Assembly that, when he had written to the Southern, Wessex and South Western Provinces advising them that the Officers of Assembly had judged their proposed resolutions regarding Resolution 19 of the 1997 General Assembly to be out of order, he had also advised them that the only other way in which the matter could be debated at the 1998 Assembly was by moving the suspension of Standing Order 3e(iv).

The Moderator then put the motion to the Assembly. The show of cards was not clear, so the Moderator called for the Tellers.

The Moderator reported that there were 258 votes in favour of the motion and 202 votes against.
The motion that Resolution 50 be not put was therefore carried.

The Moderator led the Assembly in a period of silent reflection.

Discipleship, Stewardship and Witness Committee

The Moderator asked the Convener of the Discipleship, Stewardship and Witness Committee, the Revd Elizabeth Caswell, to introduce the Committee's Report. In doing so, Mrs Caswell expressed the thanks of the Assembly to the Revd Bill Wright for his ten years of commitment to the post of Advocacy Secretary. Assembly showed its gratitude by applauding.

She requested that anyone who had any practical suggestions to ease the problems of visibility should speak to the Convener of the Assembly Arrangements Committee. The Moderator also thanked Sylvia Reynolds of Basingstoke URC for making the new Lectern fall. Assembly expressed its appreciation by applauding.

The Convener of the Assembly Arrangements Committee introduced the day's business, noting that deferred items from Saturday would be included during the day if time permitted.

Doctrine, Prayer and Worship Committee

The Moderator invited the Convener of the Doctrine, Prayer and Worship Committee, the Revd Dr Colin Thompson, to introduce the Report of the Committee. Dr Thompson noted a correction to the Report so that para 14.1 would read: "The Group was formed in 1997. Fiona Gow continues to be the Committee's representative on the group."

Dr Thompson reported that the Committee had started work on the new Service Book and that they would welcome input from the members of Assembly. To this end, a Comments and Suggestions sheet was available at the Doctrine, Prayer and Worship Committee's display.

The Moderator invited comments from the floor and following a number of these she invited the Convener to respond to them. He confirmed that during the preparation of the new Service Book the Committee would be considering a wide range of liturgies from other denominations. They would also consider the use of languages other than English, noting that it might be difficult to decide which other languages should be included and that the cost implications of doing so would need to be taken into account. It was also confirmed that the new Service Book would be available electronically as well as in print.

The Moderator invited the Convener to introduce Resolution 33. The Convener did so and then led Assembly in a prayer of thanksgiving for the life and work of Isaac Watts. The Moderator greeted him and his wife and family.

The Moderator invited comments on the Report.

In answer to a question, Mr Andrews affirmed the importance and significance of the letter from Dr Preman Niles, the General Secretary of the Council for World Mission, noting that the implications were not just financial, but affected how we see ourselves as a church and how we develop our mission.

He also clarified that the tri-lateral informal talks with the Church of England and the Methodist Church would feed into the formal talks and that the URC would hope to be involved in any process that followed the adoption of a joint statement by the two churches.

Mr Andrews asked the Revd Sheila Maxey to respond to a question about the Scottish Churches Initiative for Union (SCIFU). She confirmed that the response to the report produced by SCIFU would be made by the Northern Province and that the response would be communicated to Mission Council, so that issues of wider relevance could be addressed.

He asked the Revd Philip Woods to respond to the detailed questions that had been asked.

Mr Woods confirmed that it was envisioned that spouses would be involved in the life-changing experiences that would be offered to ordinands and acknowledged that the situations of those with children would need to be taken into account. He affirmed that it was hoped that the Belonging to the World Church programme would be a mutually supportive process and partnership and confirmed that Commitment for Life would be a fundamental part of it. He noted the hopes that had been expressed that the Belonging to the World Church programme would not be limited to CWM Partner Churches and that the introduction of this new programme would not restrict those international exchanges that were already in operation.

Resolution 35 was carried.

The Revd Bob Andrews introduced the Moderator of the Presbyterian Church of East Africa, the Revd Timothy Njoya. The Moderator welcomed Mr Njoya recalling the shock felt by the Assembly the previous year when it had heard reports of the brutal attack by Kenyan military forces. Assembly adopts the accounts for the year ended 31st December 1997.

The Moderator invited comments from members of the Assembly. In response, Mr Stacy confirmed that the surplus £877,000 would be added to the Church's Reserves as currently it was not earmarked for any specific purpose. He stressed, however, that this surplus would continue to be available for specific projects.

Resolution 37 was carried.

Mr Stacy introduced Resolution 38, noting the significant sacrifice that was required of some churches to enable them to raise their contributions to Ministry & Mission Fund. With great pleasure he moved the resolution.

RESOLUTION 38

Ministry and Mission Fund

Assembly gratefully acknowledges the giving of the churches in 1997 to the Ministry & Mission Fund.

Resolution 38 was carried.

The Moderator invited the Revd Duncan Wilson, Convener of the Mission Council Resource Planning Advisory Group (RPAG), to introduce Resolution 22. He outlined the role of RPAG and explained the background to the production of the budget. He noted that the budget was not just a matter of figures, but rather was an assessment of the opportunities and needs set against the ability to provide resources.

Mr. Stacy proceeded to review the details of the Budget. He explained that in response to the letter from Dr Preman Niles, General Secretary of the Council for World Mission (CWM), it had been decided to reduce the value of the gift to CWM from £647,000 in 1997 to £100,000 in 1998. The Ministry & Mission Fund contributions for 1999 would be set at 1998 levels.

Mr Wilson moved Resolution 22.

RESOLUTION 22

Mission Council

Assembly adopts the budget for 1999 as set out on pages 156 and 157 of the Book of Reports.

The Moderator invited comments.

In response to the comments, the Convener of the Resource Planning Advisory Group confirmed that the group would welcome imaginative suggestions for the use of the financial resources that were available to the Church. Mr Stacy explained that CWM had not made a gift to the United Reformed Church, rather that they had suggested that it should reduce its contributions. He noted that some of the resulting surplus would be used for Ministerial and Lay Training and had resulted in the 1999 Ministry & Mission Fund contributions being held at 1998 levels.

The General Secretary explained that because the CWM initiative was so recent it was not yet possible to indicate fully how the resources which would be released might be used. It was important that the church acted responsibly. CWM had asked the United Reformed Church to prepare a mission strategy for the next few years. A major report covering a wide range of exciting initiatives would be presented to the next meeting of Mission Council.

In response to a question about the possible financial implications of any secessions, and/or resignations of ministers following Resolution 19 of 1997 the General Secretary confirmed that, in the light of Resolutions 17 and 18 of the 1997 General Assembly which committed all in the United Reformed Church to do everything possible to maintain the unity of the Church and to a period of further reflection and study, no contingency plans had been made because that process had not yet finished. The General Secretary reminded the Assembly of the pastoral group which was available to enable care of those who felt pain and distress in connection with Resolution 19 of 1997.

The Moderator invited the Assembly to vote on Resolution 22.

Resolution 22 was carried.

Communications and Editorial Committee

The Moderator invited the Convener of the Communications and Editorial Committee to introduce the Committee's Report. Mr Christopher Wright explained that the Report would begin with a presentation on the work of the Churches Advertising Network (CAN) by the Revd Robert Ellis. Before beginning his presentation Mr Ellis conveyed to the Assembly the greetings of the Bishop of Lichfield.

Assembly greeted his presentation with extended applause and Mr Wright moved Resolution 27, having been given permission to make a minor change to the wording.

RESOLUTION 27

Mr Wright thanked the Revd Robert Ellis for his presentation and then introduced the Report of the Communications and Editorial Committee. He encouraged everyone to read *Reform* and to visit the Assembly Bookstall.

The Moderator invited comments on the Report. Following a number of contributions, to which Mr Wright responded, the Moderator thanked the Committee for their work.

Mrs Ruth Clarke took the Chair.

Mission Council

The Revd Elizabeth Caswell was invited to present Resolution 9 on behalf of Mission Council. She welcomed and introduced the Revd Stephen Lynas, the Millennium Officer of Churches Together in England and Major Alan Dixon, a Salvation Army Officer seconded to the Millennium Group of Churches Together in England.

Mr Lynas made an exciting presentation on the Millennium and encouraged members of Assembly to become involved in ensuring that the link was made between the Millennium celebrations and Jesus Christ.

Mrs Caswell moved Resolution 9.

RESOLUTION 9	NewStart
<p>Assembly welcomes ecumenical co-operation in preparations for the Millennium and recommends</p> <ul style="list-style-type: none">a) the idea of local Churches Together groups giving every home a millennium candle and encouraging the nation to share in the Millennium Resolution on 31st December 1999b) the New Start theme of the Churches' Millennium Group, and encourages local churches to consider how they can advocate a New Start for the world's poor, a New Start at home, and a New Start with God in their own communitiesc) the idea of churches following the same general themes during the period Advent 1999 to Epiphany 2000 and welcomes the proposed ecumenical publication of worship material.	

The Moderator invited comments. There were a number of questions and comments, and concerns were expressed regarding the proposed use of the Millennium candle.

Mrs Caswell asked permission for Mr Lynas, Major Dixon and the Revd Roger Whitehead to respond to the comments. This was granted. Mr Lynas explained that the concerns were well understood and were being addressed, and in particular noted that advice about the safety issues connected with the use of candles was being sought from the Home Office Fire Safety Unit.

The Moderator invited Assembly to vote.

Resolution 9 was carried.

The Moderator expressed gratitude on behalf of the Assembly for the contribution of the Revd Stephen Lynas and to the Church of England for enabling him to take on this responsibility.

Mrs Wilma Frew resumed the chair.

There being no comments, the Moderator invited Assembly to vote.

Resolution 15 was carried.

The General Secretary left the hall.

The Revd David Jenkins introduced Resolution 16 and, in doing so, paid tribute to the General Secretary. He warmly moved the resolution on behalf of a unanimous Mission Council.

RESOLUTION 16

General Secretary

Assembly re-appoints the Revd Anthony Gerald Burnham as General Secretary for a period of two years, ending on 31 July 2001.

The Moderator invited questions and comments. There was only one question, which asked whether lay people could be considered when Mr Burnham's successor was sought. The Clerk noted that the Rules of Procedure stated that the General Secretary "shall be a minister of the United Reformed Church".

Resolution 16 was carried. The General Secretary returned to applause.

The General Secretary accepted the re-appointment, trusting in the continuing grace of God and the strength and health that God provides. He expressed thanks to the Assembly staff, the United Reformed Church House staff and the Provincial Moderators. He said he was aware of support through the prayers of many people and that with God's help he would continue in this ministry.

Synod Resolution

The Moderator invited the Revd Gilbert Tate to propose Resolution 8 on behalf of the West Midlands Province. The Revd John Marsh formally seconded the resolution.

RESOLUTION 8

A Declaration of Hope, Faith and Love for all people

General Assembly agrees the principle of this Declaration of Hope, Faith and Love for all people and calls on the church to support it by prayer and appropriate action: whilst holding our differing beliefs about God and his way for all people, we commit ourselves to:

- opening our hearts and minds to understand and respect each other's beliefs;
- being ready to learn from each other's tradition and experiences;
- working together in the pursuit of goodness and truth.

To that end we further commit ourselves to work with other individuals and groups of all faiths and none, who are ready to share our commitment to the encouragement of:

- dialogue and consultation rather than confrontation in politics;
- competition in excellence rather than in self-interest;
- co-operation in meeting human need and the conservation of the universe;
- the establishment of peace, freedom and justice throughout the world.

The Moderator invited comments. Following a number of comments, the Moderator invited Mr Tate to respond and then invited Assembly to vote.

Resolution 8 was carried.

The Chaplain led the Assembly in singing the Doxology and the Assembly then adjourned.

The Moderator asked the Clerk to present the Minutes of earlier sessions of the Assembly. The Clerk did so, noting a number of corrections. With these changes the Minutes of the third session of Saturday and the first two sessions of Sunday were approved.

Equal Opportunities Committee

The Moderator invited the Equal Opportunities Committee to introduce Resolution 36. They did this by means of a sketch and a presentation.

The Convener of the Committee, Mrs. Susan Rand, noted that in the light of the passing of Resolution 26 the Committee would be amending the guidelines to include “age” in addition to “race, gender or disability” and moved the resolution.

<p>RESOLUTION 36 Equal Opportunities Policy for Local Churches</p> <p>Assembly welcomes the report ‘Equal Opportunities Policy for Local Churches’ and encourages local churches to study it and to ensure that appropriate policies are in place throughout their life.</p>
--

The Moderator invited comments, following which the Convener responded. The Moderator invited Assembly to vote on the resolution.

Resolution 36 was carried.

The Convener presented the report of the Equal Opportunities Committee. The Moderator invited comments on the report and the Convener responded to the points made.

Discipleship, Stewardship and Witness Committee

The Moderator invited the Convener of the Discipleship, Stewardship and Witness Committee, the Revd Elizabeth Caswell, to introduce Resolution 29. Mrs Caswell first expressed thanks to the Revds Peter McIntosh and Graham Robson for the time and commitment they had expended on producing the book *Refreshing the Elders’ Meeting*.

She noted that a number of changes had been made to the Guidelines attached to Resolution 29 since the Book of Reports had been printed:

Introduction to the Guidelines to read “Local church leadership will be exercised:”

- 6. change “a title” to “titles”
- 7. change “in partnership with those exercising ordained ministry” to “in partnership with those exercising the ordained ministry of the Word and Sacraments”
- 8. change “rooted in the local eldership,” to “rooted in and accountable to the local eldership,”

The Convener asked permission to invite the Revds Bill Wright and Peter McIntosh to present the resolution. The Moderator agreed. The Convener moved the resolution, and, with the agreement of the Assembly, made a minor change to the wording.

Assembly encourages synods and district councils in consultation with local churches to identify forms of local church leadership and to explore ways in which these may be recognised, affirmed and developed using the Guidelines.

The Moderator invited comments. The Convener thanked the members of Assembly for their support and encouragement. She stressed that the key to Local Church Leadership was flexibility to ensure that the plan could be adapted to meet local needs.

The Moderator invited the Assembly to vote.

Resolution 29 was carried.

The Moderator asked the Convener to introduce Resolution 30. This she did, by telling a story.

Assembly encourages

- a) local churches to engage actively in evangelism and evangelisation, using those with appropriate gifts**
- b) district councils to hold Vision Workshops**
- c) the Discipleship, Stewardship and Witness Committee to explore ecumenically the possibility of establishing a College of Evangelists**
- d) the idea of a mission enabler/development worker being used in every Province, to help local churches engage in God's mission.**

The Moderator invited comments. After several comments the Revd Phil Hanson moved that the Resolution **be now put**. The motion was seconded by the Revd Bob West and was carried with the necessary two-thirds majority.

The Convener responded to the debate and then the Moderator invited Assembly to vote on Resolution 30.

Resolution 30 was carried.

The Moderator thanked the Discipleship, Stewardship and Witness Committee for their work and Assembly expressed its gratitude by applauding.

The Moderator announced that FURY would make their presentation and then the Chaplains would lead the Assembly in worship.

FURY

FURY's dramatic presentation challenged Assembly to consider the plight of the workers in Haiti who are being exploited by the Disney Corporation. They encouraged the members of Assembly to do all they could to raise awareness of the issue, and the Assembly responded with applause.

The Chaplains led the Assembly in a time of quiet reflection and prayer and the singing of two hymns.

The Chaplains led the Assembly in worship and Prof. Graham Stanton concluded his series of Bible Studies. The Moderator, on behalf of Assembly, expressed appreciation for the way in which Prof. Stanton had led Assembly in Bible Study. Assembly applauded.

The Convener of the Assembly Arrangements Committee announced the order of the day's business and asked members of the Assembly to bear in mind the amount of business that had to be considered and the time available to do so.

Church and Society Committee

The Moderator invited the Church and Society Committee to present Resolution 24. Prof. Malcolm Johnson introduced a dramatic presentation and the Revd David Pickering, the Environmental issues Adviser to the Committee, presented the background to the resolution.

Prof. Johnson moved Resolution 24.

RESOLUTION 24	Roots and Branches
Assembly	
a) recognises with thanksgiving and repentance that the care and stewardship of God's creation is an essential part of Christian discipleship;	
b) challenges every local church to address its own responsibilities over the next two years, using the pack 'Roots and Branches';	
c) in particular, instructs Church and Society in conjunction with other committees, to develop a plan for energy audits of church premises;	
d) invites District Councils to consider these matters in their regular visits to churches.	

The Moderator invited comments, suggesting that Assembly should agree that all speeches should be limited to 3 minutes throughout the day. The Revds Peter Brain and David Pickering responded to the comments. The Moderator invited Assembly to vote on the resolution.

Resolution 24 was carried.

The Moderator thanked the Church and Society Committee and noted that this was Prof. Malcolm Johnson's last Assembly as Convener of the Committee. She thanked him for all his work with the Committee, and Assembly showed its appreciation by applauding.

Methodist/URC Health and Healing Development Group

The Moderator invited the Secretary of the Methodist/URC Health and Healing Development Group, the Revd Jim Hollyman, to introduce the Group's Report. The Moderator invited comments on the Report and the Convener responded to the one comment made.

The Secretary then introduced and moved Resolution 39.

Assembly

- **endorses the strategy of the Joint Health and Healing Development Group for its work until 2000AD as set out in Annex 1 of the Book of Reports;**
- **welcomes the publication by the Methodist Church and the Churches' Council for Health and Healing of 'Guidelines for Good Practice for those involved in the Christian healing ministry', including a code of conduct;**

The Moderator opened the matter for debate and invited the Secretary to respond to the comments made.

In response to one comment, the General Secretary assured Assembly that co-operation between the denominations was viewed as being extremely important. He said that the fact that this particular Group had the name "Methodist/URC" did not imply that other Groups and Committees of the Church did not work together with other denominations. He confirmed that all Staff Secretaries were committed to working ecumenically and regarded this as a priority.

Resolution 39 was carried.

The Moderator thanked the Group for their work.

Ministries Committee

The Moderator invited the Convener, the Revd Graham Long, to present the Report of the Ministries Committee. In presenting the Report Mr Long noted with pleasure the appointment of the Revd Sandy Mailer as Lay Preaching Commissioner. It was hoped to present an interim report to the 1999 General Assembly.

The Moderator invited comments and questions and the Convener responded.

With the permission of the Assembly Mr Michael Harrison, Convener of the Maintenance of the Ministry Sub-Committee, introduced and then Mr Long moved Resolution 40.

She expressed, on behalf of the Assembly, pleasure and gratitude that they had been able to attend the Assembly.

Mr Mahood then introduced the Committee's Report, noting that members of other faiths understood and were very supportive of the desire amongst Christians to celebrate the Millennium. In turn, it was right that we should acknowledge that 1999 would be a year of major celebration for the Sikh community throughout the world. Mr Mahood also brought to the attention of the Assembly the Anti-Mission Bill before the Israeli Parliament which could lead to persecution of Christians.

The Moderator invited comments on the Report and Mr Mahood responded to the comments made. The Moderator thanked the Committee for their work and thanked again the visiting Representatives of Other Faiths.

The Moderator called Mrs Melanie Frew who moved the following amendment:

First line – delete “young” and insert “all”

Third line – delete “to young people”

This was agreed.

Assembly and Appeals Commissions (Ministerial Discipline)

The General Secretary made the following report to Assembly:

An Assembly Commission met on 30 March 1998 to consider the case of the Revd Geoffrey Rodgers. The decision was to delete the name of the Revd Geoffrey Rodgers from the Roll of Ministers.

Mr Rodgers appealed against the decision and an Appeals Commission met on 4 June 1998. The decision was to affirm the finding of the Assembly Commission that Mr Rodgers had committed a serious breach of discipline but to allow the Appeal thus permitting the name of the minister to remain on the Roll of Ministers. In view of the gravity of the breach of discipline the Appeals Commission issued a written warning under Part I para. 10.2 of the Section O Process.

District Boundaries

The General Secretary drew the attention of the Assembly to the changes in District Boundaries which were noted in the relevant Synod Reports.

The Mersey Synod formally reports to the General Assembly, under paragraph 2(4)(ii) of the Basis and Structure, that, at its meeting of Synod on 1 November 1997, it was agreed that Huyton United Reformed Church move from West Lancashire District to the Liverpool District.

Address to the Throne

The Moderator invited the Revd David Jenkins to present the Address to the Throne.

14 July 1998

To the Queen's Most Excellent Majesty

The General Assembly of the United Reformed Church now meeting in Nottingham sends greetings to your Majesty.

During the year we have shared the general shock and grief at the sudden death of Diana, Princess of Wales, which has so affected your Majesty and your family. Our churches and members joined in the extraordinary scenes of public mourning and we have marked with mixed feelings the various attempts to put in place appropriate memorials to her life and exemplary public service. In particular, we have been active in pressing your Ministers to ratify the ban on landmines which was a cause near to her heart.

This Assembly has agreed a scheme which will unite the United Reformed Church with the Congregational Union of Scotland. We have thus marked in our church life, as in the realm of political development, the moves towards a greater affirmation of the distinctive identity of the Scottish people. We shall pray for all involved in planning for the new Scottish Parliament and for the Welsh Assembly and we shall look to those bodies, as to the parliament at Westminster, for evidence of the exercise of power in decisions that make for peace in your realm and for a decent life for all your people.

Although the United Reformed Church is not present in Northern Ireland, we are in close contact with our fellow-Christians there and shared the sense of relief and renewed hope at the outcome of the all-party talks, the endorsement of the Good Friday Agreement by referendum and the prospects for a new Assembly at Stormont. To have reached this point, although there is so much yet to be done, remains a significant and worthy achievement on the part of your Ministers, many other politicians and civil leaders of every persuasion. Nevertheless as we meet in our Assembly we have been made aware of the fragile state of the peace process and of the further tragic loss of innocent children's lives. We continue to pray that people in this situation will learn to live by conversation rather than confrontation.

During the year, the United Reformed Church appointed a leading Jamaican minister to work as our guide on multi-racial and multi-cultural issues. We are dismayed at continuing evidence of racial hatred and discrimination in this country, symbolised by the disturbing Enquiry into the killing of Stephen Lawrence. We know that your Majesty values the personal and international links afforded by the Commonwealth very highly and will share our hopes and prayers for a Britain which rejoices in ethnic diversity as in other God-given differences, and seeks to move towards a truly integrated community.

We pray for the continued health and strength of your Majesty as you offer leadership and service to the United Kingdom and to the Commonwealth.

We are
Your faithful and loyal servants

The letter will be signed by the Moderator and the General Secretary.

The Assembly approved the Address.

The Moderator asked Mr Jenkins to take the greetings of the Assembly to the Assembly of the Presbyterian Church in Wales at which he would be representing the United Reformed Church.

Mrs Clare asked permission for the Revd Angus Duncan, Convener of the North Western Provincial Moderator Review Group, to report. The Moderator agreed.

Mr Duncan noted that the current 7 year appointment of the Revd Keith Forecast as Moderator of the North Western Province was due to end on 31st August 1999. He reported that, following full consultation, the Review Group unanimously brought the following resolution: **General Assembly extends the appointment of the Revd Keith Forecast as Moderator of the North Western Province for one year to 31st August 2000.** This was carried, with warm support and gratitude for Mr Forecast's work.

Mrs Clare noted that the Revd Elizabeth Byrne and Ms Lesley Anne Di Marco, who were referred to in paragraphs 1.3.9 and 1.3.10 of the Report respectively, had already been greeted by the Assembly. Mrs Clare paid tribute to Mr Desmond Curry, Secretary of the Committee, who had continued with the work despite his illness. She then moved Resolution 42.

RESOLUTION 42

Nominations

Assembly appoints Committees and representatives of the Church as set out on pages 108 to 115 of the Book of Reports subject to the additions and corrections contained in the Supplementary Report before Assembly.

Resolution 42 was carried.

The Moderator thanked Mrs Clare and the Committee for their work, with a special greeting to Mrs Clare at her last Assembly as Convener of the Nominations Committee.

Synod Resolutions

The Moderator called the Revd Simon Copley to present Resolution 4 on behalf of the Synod of Wales. The Clerk explained that, because the Assembly had already passed Resolution 11, part g) of which had amended, subject to ratification, paragraph 3(1)(f) of the Structure, Mr Copley would need to seek the permission of the Assembly to bring Resolution 4 in a changed form, since it, too, sought to amend paragraph 3(1)(f). That permission having been given, Mr Copley moved Resolution 4 in its revised form.

RESOLUTION 4

Amendment of Structure 3(1)

General Assembly amends the Structure in paragraph 3(1)(f) by adding the following words:

In its concern for mutual understanding within the life of the church, before voting upon such a motion the General assembly shall invite a representative of any synod from which the General Secretary has duly received notification under 3(1)(e) to present the main reasons for its objection.

The Revd David Fox seconded the resolution.

There were some comments to which Mr Copley responded, then the resolution was put to the vote.

Resolution 4 was carried with the necessary two-thirds majority.

The General Secretary proposed that in accordance with para. 3(1) of the Basis and Structure Resolution 4 be referred to Provincial Synods with 15th March 1999 as the final date for responses as to whether or not this constitutional amendment be proceeded with.

The Moderator called the Revd RJ Brown to present Resolution 5, noting that the resolution came from the West Midlands Synod, and not from East Midlands as shown in the Book of Reports. Mr Brown introduced and moved Resolution 5.

Resolution 5 Residential Assemblies
General Assembly requests the Assembly Arrangements Committee to plan future Annual Meetings of Assembly on the basis that each one is fully residential.

The resolution was seconded by the Revd John Steele.

The Revd Alasdair Pratt, on behalf of the Assembly Arrangements Committee, moved the following amendment:

after "to plan" delete "future Annual Meetings fully"
insert "for the annual meeting of Assembly in the years 2000-2002 to be"
then add "b) to consider the possible patterns of Assembly beyond that date, and to report"

Mr Brown expressed willingness to accept the amendment, and the Assembly agreed. There was some discussion and questions were asked. Mr Brown responded, and then the substantive resolution was put to the vote:

RESOLUTION 5

Residential Assemblies

General Assembly requests the Assembly Arrangements Committee:

- a) to plan for the annual meeting of Assembly in the years 2000–2002 to be residential;**
- b) to consider the possible patterns of Assembly beyond that date, and to report.**

Resolution 5 as amended was carried.

The Moderator called Mr W Irving who presented and moved Resolution 6 on behalf of the Southern Synod.

Resolution 6 Small Churches

General Assembly recognises the value of work done by Churches which do not conform in all respects to the size, organisation or ministry implied by the Basis of Union and the Plan for Partnership and therefore requests Mission Council to set up a Task Group

- 1) to consider the opportunities, challenges and difficulties which such Churches face and
- 2) to draft a mechanism by which these can be tested.

General Assembly also directs synods and district councils to reflect on the unique situation of each of the churches in their area, when considering what special (financial, pastoral and other) support they need.

The Revd R Singh seconded the resolution.

The General Secretary moved the following amendment:

Before the word "Churches" in line 1, insert "small". Delete "which do not Partnership" and the word "therefore". Delete the number 1) and insert after the word "consider" the words "and report on". Insert a full-stop after the word "face", and delete the remainder of the resolution.

The amendment was seconded by the Revd Alasdair Pratt. After some discussion, the General Secretary, with the permission of the Assembly, altered the proposed amendment with the effect that the final paragraph of the original resolution would be reinstated. Mr Irving indicated willingness to accept the altered amendment, and there was further discussion during which the Revd Elizabeth Caswell indicated that the Discipleship, Stewardship and Witness Committee would be willing to be involved in the work of such a Task Group, were it to be established. The substantive Resolution 6 was put to the Assembly:

RESOLUTION 6

Small Churches

General Assembly recognises the value of work done by small Churches and requests Mission Council to set up a Task Group to consider and report on the opportunities, challenges and difficulties which such Churches face.

General Assembly also directs synods and district councils to reflect on the unique situation of each of the churches in their area, when considering what special (financial, pastoral and other) support they need.

Resolution 6 as amended was voted upon in two parts; both were carried.

Communications and Editorial Committee

On behalf of the Committee the Convener, Mr Chris Wright, moved Resolution 28.

RESOLUTION 28

Sharing of information

Recognising on the one hand the increasingly diverse ways in which information can be disseminated by electronic means, and on the other the need to protect the privacy of individuals, Assembly authorises those responsible for the gathering of personal information to allow, under the guidance of the Communications and Editorial Committee, other Christian organisations access to information on

- (i) the location of local churches**
- (ii) the details of a contact person for each local congregation who will normally be the minister in pastoral charge but may be an officer who has agreed to their name being so used**
- (iii) relevant contact information for Provincial and District Offices and furthermore instructs the Communications and Editorial Committee to discourage the commercial use of information contained within the Year Book of the United Reformed Church.**

There being no comment, the resolution was put to the vote.

Resolution 28 was carried.

The Moderator called upon the Revd Peter McIntosh, Moderator Elect, to address the Assembly, and promised the prayers of the Assembly as he prepared for office.

The Moderator called Mr John Yates who thanked the East Midlands Province for all done as host province for the Assembly mentioning especially the work of Mr Keith Brooks, Convener, and the members of the Local Arrangements Committee. Mr Yates expressed thanks to the University and Conference Centre staff, to the Assembly Officers, and the Minutes Secretary, Mrs Sally Brooks, and also noted the use of new technology to enhance the overhead display. He thanked those responsible for the displays and the bookstall, and all those who had played a part in the running of the meeting of the Assembly. Mr Yates invited the Assembly to Southport in 1999.

The Moderator thanked the members of Assembly for their patience, forbearance and good temper during the meeting of the Assembly, She expressed her personal thanks to the Chaplains for their help to her and for their leading of worship, and also to the choir, choir leaders and organists.

The General Secretary formally announced that the Assembly had completed its business, and would adjourn to meet as agreed at Southport on Monday, 5th July 1999.

The Chaplains led the closing worship.
