

# Calls to Worship

1

Lord we gather to worship you this day.  
Open our ears to hear you speaking.  
Guide us as we seek to follow your call on our lives.  
By the power of your Spirit help us to recognise you at the centre of all we are.  
Give us courage, strength and integrity to be your faithful disciples.  
Amen

2

Lord we gather now to worship you.  
In the stillness, the singing, the reading of scripture and our prayers.  
May we recognise your love amongst us – new every morning, changing,  
transforming and calling us.

Through the power of your Spirit may our hearts rejoice at your presence  
and wonder at your love,  
which binds us together as one people.  
We gather now in the name of Jesus.  
Amen

3

Loving God, in the sacredness of this time and space we meet to worship you.  
Your love compels us to come in.  
You call us gently, urgently, strongly.  
You call us quietly, slowly sometimes unrecognisably.  
In your calling may we hear your voice.  
In our journeying may your Spirit encourage our faithfulness.  
Amen
