## Resource Map

In addition to resources from the Walking the Way steering group, as well as synods and local United Reformed churches, available on the Walking the Way [resources page](#), the Walking the Way team has developed this resource map to help individuals and local churches explore some of the many different resources available on whole-of-life discipleship.

This bank contains brief descriptions and links to relevant materials, suitable for individuals and churches from a range of partners and organisations.

There are two ways to browse resources in this map. You can either click any one of the headings below (to return to this list click "back to top" in the top left corner of the page):

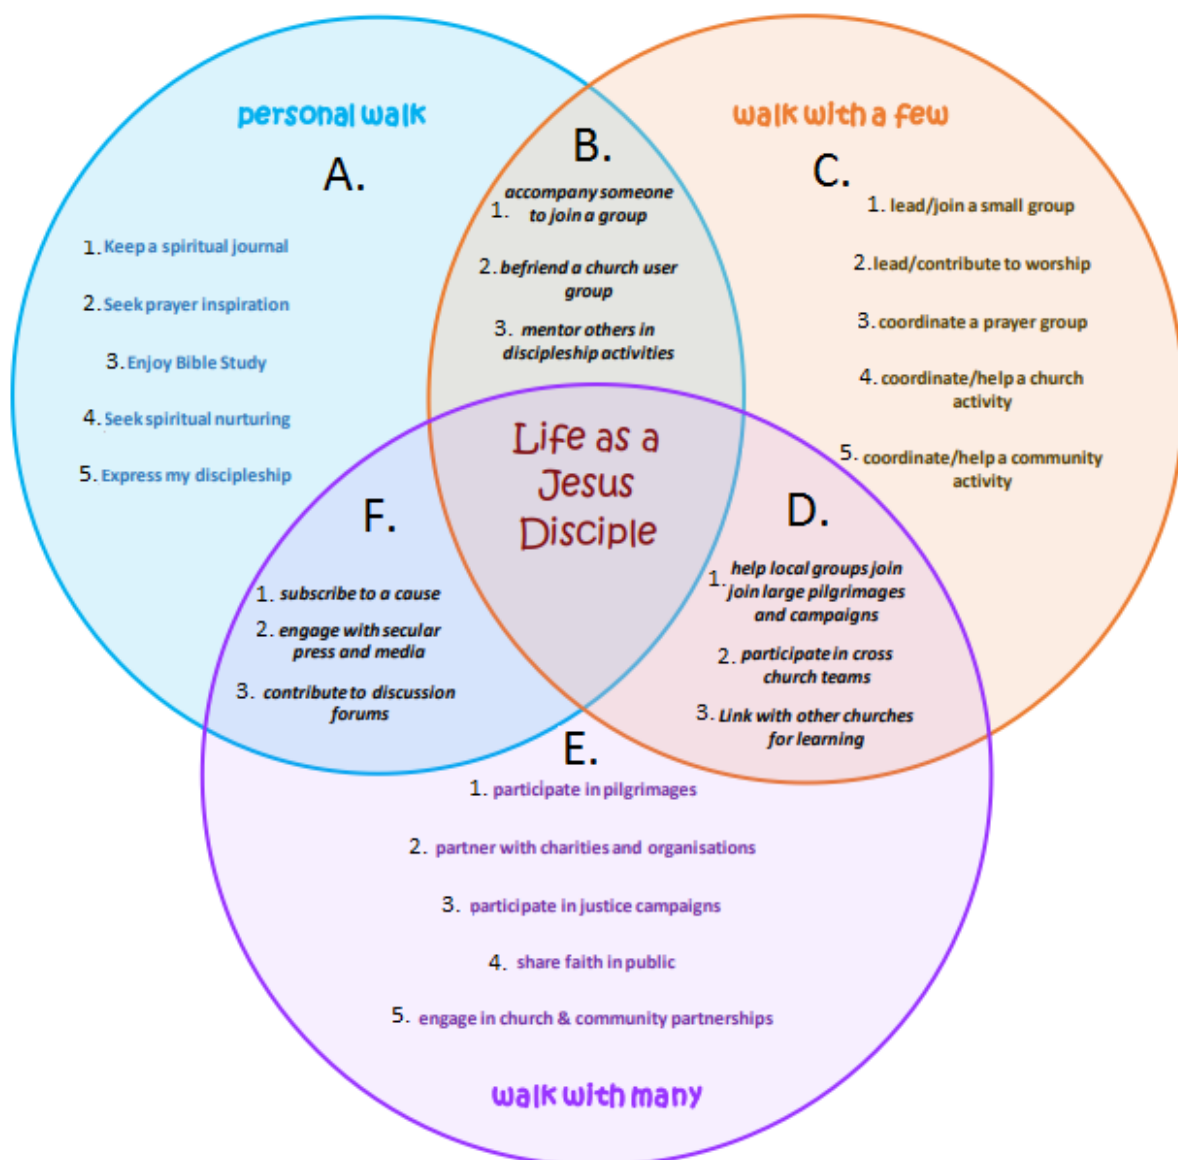

- [Action](#)
- [Bible](#)
- [General Discipleship](#)
- [Discipleship online](#)
- Discipleship in a pandemic [A](#) and [B](#)
- [Prayer](#)
- [Relationships](#)
- [Training](#)
- [Worship](#)

Or you can use the [Venn diagram on page 2](#). This diagram highlights there three interconnecting walks which we all take on our journey of faith. We have our own **personal walk** with Jesus, our **walk with a few** who are close to us and **our walk with many** in the wider Church and in the world. The diagram shows how each of these areas relate to each other. Every resource listed in this bank has Venn references listed alongside it, which can be used to help you find resources relating to these different areas, and the points where they crossover.

If you have suggestions of resources that might be included in this map, or reviews of anything you've used, please e-mail [wtw@urc.org.uk](mailto:wtw@urc.org.uk) or call 020 7520 2718. We'd love to hear from you.

## Browsing resources using the Venn diagram

In our journey of faith, there are three interconnecting walks which we all take. We have our own **personal walk** with Jesus, our **walk with a few** who are close to us and **our walk with many** in the wider Church and in the world. The Venn diagram above shows these three walks, and their crossover points where you'll find some suggested activities that can help at different points and stages of our journey.

Each resource has Venn references noted beside them, made up of letters and numbers corresponding to the activities in the Venn diagram. For example, 'keep a spiritual journal' has Venn reference A1, 'participate in cross-church teams' has Venn reference D2 and so on.

You can search for these Venn references using your browser's search facility. On a PC, press CTRL + F or Command + F on a Mac. This facility is also available on many smartphone and tablet browsers.

If you need help with this, please e-mail [wtw@urc.org.uk](mailto:wtw@urc.org.uk) or call 020 7520 2718 for assistance.
