

# 'At Home in a Strange Place – Your Feedback Matters

[Resourcing sacred conversations on migration.....]

What was your 'light-bulb' moment or new insight from the conversation?

What questions do you have or what further conversations are needed?

What additional resources would you find helpful/would wish to explore?

What will you do/act upon as a result of your conversation(s)?

What phrase, buzz word or image remains with you? [you can draw it or pen a line or two to express it!]

Thank you very much!
