Electronic communication

It can sometimes be helpful for workers to communicate directly with older children via mobile phone, email and social networking websites. For example, to share information about an event, to find out who is planning to attend, to seek feedback, or to offer encouragement. Communication would be kept within reasonable hours, would be appropriate to the working relationship, a record would be kept, and would be accountable to other workers.

Please circle Yes or No to make clear in which ways workers may contact this participant:

<i>Email</i>	<i>Yes</i>	<i>No</i>
