

A misty mountain landscape with large, dark rock formations and a grassy foreground. The scene is hazy, with a soft, greyish-blue sky and a thick layer of mist or fog. In the foreground, there is a field of dry, yellowish-brown grass. Several large, dark, rounded rock formations are scattered across the middle ground. One prominent rock formation on the left has a large, flat, horizontal top surface. To its right, another rock formation is stacked vertically. The background shows more distant, misty mountain peaks.

Jesus our friend,  
you parted from your disciples  
in the mist on the mountain top,  
to be given to the whole world.  
Help us to know you in our lives,  
even in events that are confusing and half hidden.  
Help us to see you through the mist.
