

*Living God*

*When we come to you empty,*

*Fill our emptiness,*

*When we come to you alone,*

*Walk with us on the path.*

*When we come to you feeling down,*

*Lift us up,*

*When we come to you full of gloom,*

*Lighten our world*

*When we come to you alienated,*

*Cut off, disconnected from the world,*

*Put us back in touch with its joy,*

*With its activity and life,*

*Even with its pain,*

*For in this we touch our Christ,*

*Our love,*

*Our life.*

*Amen.*
