

A large, mature tree with dense green foliage stands on a well-maintained green lawn. The tree's trunk is thick and gnarled, and its branches spread out, casting long, dappled shadows across the grass. In the background, other trees and a building are visible, suggesting a campus or park setting. The lighting is bright, indicating a sunny day.

Give us peace,
peace of the evening,
peace with nature,
peace with humanity,
peace with our friends,
peace with our enemies.
Let peace be strong,
and let the strong
seek peace.
Amen.
